As announced in church last Sunday, **Melvyn Demmen** died late last Saturday evening at St. George's Hospital, Tooting. Melvyn was a Pastoral Auxiliary with Southwark Diocese (SPA) and was a valued member of the staff team here at St. George's but ill health over recent years had restricted the scope of his work. His sister Marilyn, brother Colin, and close friend Sue had been with him since the early evening and I was able to say some prayers with him but it was clear he was extremely unwell. His condition continued to deteriorate and he died peacefully just before 9.30pm. Melvyn had the foresight to make arrangements for his funeral which will be held at St. George's and I will let you know the date as soon as it is agreed. Let us thank God for his life and for his work among us. **Barry.**

Lady Chapel Update – Work Day Sat 8 Sept.

The contractors have now given a start date of 17th September for the repairs to the roof which are expected to last up to 8 weeks. During that time the Lady Chapel will be out of bounds for everyone except the contractors and everything will have to be removed and stored somewhere in the church. We will be moving furniture next Saturday 8th September from 10am so all help will be welcomed.
