Dear Mrs Margaret Elizabeth Bebington and dedicated members of Shirley CA Group/Shirley Churches Together,

We are proud to confirm that for Christian Aid Week 2021 you managed to raise **£4551.72** with the additional amount of **£480.00** via the e – envelope and a **£100** voucher which we have received. On behalf of all of us here at Christian Aid, we would like to say a huge thank you.

We are also delighted to announce that thanks to our amazing supporters who fundraised both in person and online through quizzes, church collections, house – to – house collections and delivery only, Christian Aid Week 2021 has raised **over £5 million** in total.

Your donations go towards building earth dams to capture water to withstand drought and provide a reliable source of water for Global Communities. People like Florence and her farming group have benefited from the water dam built by Christian Aid's partners which is only a short walk from her village. Your donations make that difference!

Thank you for sharing our mission to eradicate poverty and to create a fairer World.
