EcoTip 2024 No: 91—Enjoy your seasonal drinks sustainably!

Seasonal drinks in autumn come in a wide variety of flavours, from pumpkin spice lattes to hot apple cider. Rather than using single-use cups that end up in landfills, use reusable mugs or travel tumblers. In fact, 16 million disposable coffee cups are used each year! Do the earth a favour and start taking your mug to your coffee shop! You can find various options for reusable coffee cups to buy as well.
