

Advent Day 4

At the end of each service on Holy Communion there is a final prayer. We heard this one last Sunday:

O Lord our God,
make us watchful and keep us faithful
as we await the coming of your Son our Lord;
that, when he shall appear,
he may not find us sleeping in sin
but active in his service
and joyful in his praise;
through Jesus Christ our Lord. Amen

How will I use this season of Advent to prepare my heart?
